I acknowledge that Essential Beauty have carried out the treatment of skin penetration listed above at my request. In consideration of this, I agree that Essential Beauty will not be responsible for any damage that is caused to my skin by the procedure and I shall not be entitled to take any action against the company either at Common Law or in Equity in respect of the treatment. I understand that in respect of the body piercing listed above, the minimum grade jewellery that will be inserted is 316L grade surgical steel. In some cases, people can be allergy prone to surgical steel and in this case, titanium, bioplast or 14-18 karat gold will be used. In a small amount of cases, the body can reject a body piercing altogether regardless of the material inserted. I understand that the home care instructions that have been explained to me must be adhered to in order to promote healing. I acknowledge that I have been given the opportunity to ask any questions that I have felt necessary and that any questions asked have been answered to my satisfaction. Genital piercing clients (nipples included) must be a strict 18 years or above, no exceptions with or without parental consent. This is government legislation.

I am in sound physical health and hereby voluntarily request and consent to the above mentioned treatment.
